Beaumont Gibbs are offering this very spacious four bedroomed Victorian semi detached house for sale. The property does require refurbishment throughout, but we feel at the price on offer, is good value for someone to work on a blank canvass and make the house their own. The property is situated approximately a third of a mile to Woolwich Dockyard mainline station, and is under a mile from both Charlton and Woolwich Arsenal mainline stations and the DLR and forthcoming Cross rail link. The property does benefit from having high ceilings, with some original ceiling cornicing and fireplaces, which we would advise to keep where possible. Benefitting from three reception rooms, large kitchen, ground floor cloakroom, four bedrooms upstairs with a bathroom and separate W.C.. Also featuring double glazing, gas central heating and a 35' rear garden.
